1. Executive Dispute Defense Summary

We strongly contest this chargeback, as compelling evidence confirms the customer received the merchandise as ordered. The order for a 'furniture_decor' item, paid via VISA credit card in 3 installments, was successfully delivered on April 17, 2018, a full 19 days ahead of the estimated deadline.

Further validating receipt and satisfaction, the customer subsequently left a 5-star review stating, "Recebi o produto antes do prazo de entrega. Adorei pois chegou exatamente como a descricao. Podem adquirir sem nenhum medo." This explicit positive feedback directly contradicts the dispute claim.

Our risk assessment also flagged this transaction with elevated email domain velocity associated with identity changes, rapid card velocity across multiple billing addresses, and elevated historical fraud velocity in this merchandise category, all consistent with potential first-party fraud. The evidence unequivocally demonstrates fulfillment and customer satisfaction.
